

# Interior Designer Portfolio Website - Cost Breakdown

This document provides the cost breakdown for building a portfolio website for an interior designer. The website is image-heavy and contains the following sections: About Me, Architecture, Interior, Objects, and Exhibitions. The Objects page includes advanced functionalities. The total quoted cost is ₹30,000.

Page / Section	Description	Cost (INR)
About Me	Introduction, profile, and images	₹4,000
Architecture	Portfolio of architectural works with image galleries	₹5,000
Interior	Interior design projects, image galleries	₹5,000
Objects	Interactive functionalities, product displays, image-heavy	₹9,000
Exhibitions	Showcase of exhibitions with images	₹4,000
Other (Setup, Deployment, Testing)	Hosting, responsiveness, QA, deployment	₹3,000
Total		₹30,000

This quote ensures a balanced allocation of budget across different sections, with the Objects page allocated more resources due to its advanced functionalities.
